### BIOGRAPHY

After studying modern literature, Christophe Cousin took an unfortunate turn towards publishing. But it wasn't long before he was directing a documentary for the TV program *Qu'est-ce qu'elle dit Zazie?* This was followed by two short films: *Témoins de la nuit* and *Après la frontière*, both made at the same time as he was working for various production companies. Before setting up his own company, Trafic Films, to produce short films and documentaries...
